

# Service Request Form

## Ship Drysuit To:

Custom Diving Services  
2069 Dwyer Rd  
Midhurst Ontario  
L9X 1L7

### Please Read

Ship only your drysuit. Do not ship the bag with your suit and empty the pockets we are not responsible for any items left with the drysuit.

If you have zip seals on your drysuit please leave them on if you remove them there will be a charge to install a set for leak testing.

A leak test is mandatory for all drysuits that are to be repaired this saves your dive as we generally find other leaks in the suit that you may have forgotten about.

Provide a daytime and cell phone number that you can be reached at during business hours.

Any suit left over 60 days will be sold off to cover the cost of repairs done to the suit. We will make every possible effort to contact you for payment and to return the suit to you.

If possible send your drysuit clean, if we have to clean and deodorize your suit charges will be added.

If additional work is required we will contact you for approval before proceeding the additional work.
